

## Flexible power strip

4-way, with 2x USB charging ports

You can easily expand your standard household power outlets with this flexible power strip from SCHWAIGER® up to 4 additional protective contact outlets and 2 USB charging sockets. The multiple socket consists of a total of 6 interconnected

modules, which can all be individually aligned and rotated by 180°. Thus, the power strip adapts ideally to any corner, angle or other conditions in the room and can be easily arranged in the desired way.

## FEATURES (660081)

- socket strip for extending a 230 V socket
- multiple socket consisting of 6 interconnected modules
- flexible modules for individual alignment of the separate segments, each rotatable by 180°
- adapts perfectly to any available space
- power saving on/off switch
- easy charging of portable devices via USB connection
- charging of 2 devices at the same time
- convenient flat plug
- contents: multiple socket, operating instructions

## TECHNICAL DATA

Connections	1 x Schuko plug (type F) 4x Schuko socket (type F) 2x USB 2.0 A jack
Power supply	230 V AC , 50 Hz
Output voltage	USB: 5,0 VDC
Output current	16 A USB: 2,4 A (total)
Output power	max. 3680 W USB: 12,0 W
Average active efficiency	82.5 %
Efficiency at low load (10 %)	72.0 %
No-load power consumption	0.09 W

Point of use	indoor use
Protection class	IP20
Protection systems	personal protection against electric shock
Cable length	1.5 m
Material of product	polycarbonate
Colour	black
Weight (set)	645 g
Dimensions (width)	356 mm
Dimensions (height)	65 mm
Dimensions (depth)	43 mm
Model number	FSS6
Packaging	carton
