Bluetooth® Party Speaker (30 W)

with disco lighting and karaoke function

The Bluetooth® Party Speaker from SCHWAIGER® with a disco ball and impressive lighting effects creates a real party atmosphere. Via Bluetooth® or the 3.5 mm jack plug, it can be connected to the smartphone in no time at all. The USB port and SD memory card slot give you even more ways to

play your music in a perfect sound. But the speaker will definitely become the highlight of any party with its entertaining karaoke function: simply connect up to two microphones and become the singer of your favourite hits yourself!
