

Bluetooth® Stereo Speaker (24 W)

with leather-effect covering

This Bluetooth® speaker from SCHWAIGER® is not only impressing with its classy leather-effect covering design, the metal grille front and the high-quality metal regulator with LED ring, but also with its perfect sound quality. The wooden housing gives the speaker an

extremely voluminous sound, allowing you to enjoy your favourite music in the best sound quality. Additionally, you can easily combine two speakers for an even better stereo surround sound, thanks to the TWS function.
