

Notebook Case (15,6")

universal use

Our SCOPE Notebook bag is a true all-rounder, whether in the office, school or university. With a practical shoulder strap or the additional possibility to use the bag as a backpack, it is ideal for everyday use or when travelling. Further features are a luggage strap

and a softly lined laptop compartment for devices up to 15.6 inches. Due to a well thought-out design of the inner pocket, notepads, books, writing utensils and the like find their place here.
