

Portable DVD player with 2x LCD screens

The Monitor Set from SCHWAIGER® consists of two LCD screens with an integrated DVD player for playing movies, shows and music. Thanks to their compact size, the monitors are ideal for attaching to the headrest on the car seat, providing excellent entertainment on long

car trips. It is easy to operate using a remote control or directly via the device buttons. The unit also features built-in speakers as well as two headphone jacks. The two monitors can be easily connected via an AV cable.
