

2in1 LED Camping light

with power bank function

The 2in1 camping light from SCHWAIGER® provides the right lighting in every situation with the powerful COB (chip-on-board) LED spotlights and the torch. The lamp has a total of 8 different lighting modes in a wide variety of combinations and can be used as a handy

torch, hanging lantern or large-area spotlight. The side lights can be folded out separately for an individual illumination. The additional power bank function makes the compact, battery-powered light the ideal companion for camping, hiking and other outdoor activities.
