

LED 3in1 Camping Lamp

The powerful 3in1 camping lamp from SCHWAIGER® is designed for versatile lighting while camping, travelling, on holiday or hiking in nature. Use the lamp as a stable table lamp, as a practical hand lamp or as a robust camping lamp. Thanks to the function

switch on the handle and the movable lamp head, the lamp can be easily set to the required mode. The 3in1 lamp is compactly built, battery operated and gradually dimmable, thus you will be offered the right light for every situation.
