

DAB+/FM Jobsite radio

with Bluetooth®, AUX-In and USB charging port

The portable SCHWAIGER® construction site radio is designed for the best music enjoyment via DAB+, FM, Bluetooth® and AUX-IN. Thanks to its IP54-certified design, the robust digital radio is dustproof and splash-proof, making it ideal for use on construction sites, in

workshops or outdoors. The radio can be taken anywhere thanks to its powerful lithium-ion battery and the practical carrying handle. And with the integrated USB charging port, even smartphones can be supplied with power.
