

RECEIVER

Full HD Cable Receiver

Free To Air (FTA)

This energy-saving SCHWAIGER® cable TV receiver is suitable for reception of free to air TV and radio stations. Thanks to the integrated Time Shift Function, a programme can be recorded and played back if an external memory device is connected. Via the HDMI

connection, programmes can be watched in Full HD quality. The integrated media player allows for playing mp3 music files. This receiver has a 7-day program preview (EPG).

ARTICLE INFORMATION

Article Nr DCR600HD
EAN 4004005528466

Last updated: 25.10.2018
