

LED BBQ grill light with screw terminal

The LED BBQ grill light from SCHWAIGER® is perfect for long barbecue evenings to keep an eye on the food even when dusk sets in. The light can be rotated by 360° and tilted by 180° and thus always ensures the best possible illumination of the barbecue surface for the most varied types and sizes of

barbecue. The light can be securely attached to the grill in no time at all with the rubberised screw clamp. Thanks to the heat-resistant materials and the powerful LEDs with long light duration, the lamp is also perfectly suitable for a longer use.

- battery-operated for mobile use independent of the mains
- Scope of delivery: LED BBQ grill light, 3x LR06 (AA) batteries, instruction manual

TECHNICAL DATA

Power supply	via battery: 4,5 VDC (3 pieces)
Battery type	LR06 (AA)
Type of lamps	2 W LED
LEDs	10x LED
Luminous flux	80 Lm
Lifetime (LED)	15000 h
Kelvin	5,000 - 5,500 K
Run time	approx. 15 h
Protection class	IP20
Material of product	Nylon Aluminium rubber ABS

Colour	black/silver
Weight (set)	without battery: 210 g
Dimensions (width)	260 mm
Dimensions (height)	55 mm
Dimensions (depth)	30 mm
Packaging	carton
