

## LED Light Bulb Set (E27)

### RGBW Multicolor Light

This SCHWAIGER® set consists of two RGBW LED light bulbs (E27 socket) and one remote control. The LED light bulbs can be dimmed to the light intensity desired. In addition, the colour temperature can be adjusted, for example within the range of light red to dark

red. The remote control allows for operating up to 16 LED light bulbs, either individually or in groups.

### ARTICLE INFORMATION

Article Nr

## FEATURES (HALSET300)

- SET consists of:
  - » 2x LED Light Bulb (E27)
  - » 1x Remote Control
- light bulbs can be operated via remote control directly
- light bulbs can be switched on or off
- light bulbs can be operated in groups
- battery-operated
- content: 2x LED light bulb, remote control, 2x battery (LR03/AAA), user manual

## TECHNICAL DATA

Integrated protocols	ZigBee v3.0	Colour shade	RGBW Multicolor
Energy efficiency	A+	Base	E27

## LED LIGHT BULB (E27)

- dimmable light
- adjustable RGBW light colour
- adjustable colour temperature
- adjustable light intensity (brightness)
- operation with the SCHWAIGER App via gateway or directly via remote control (ZHF02-MK)
- content: light bulb, user manual

## TECHNICAL DATA

Integrated protocols	ZigBee v3.0	Dimmable	yes
Energy efficiency	A+	Service life	25000 h
Colour shade	RGBW Multicolor	Switching cycles	25000 x
Lumen	806 Lm	Operating temperature	-20 bis 40 °C
Energy consumption	10 kWh / 1000 h	Power supply	220 - 240 V AC , 50/60 Hz
Base	E27	Colour	white
Performance	9.5 W	Dimensions (width)	60 mm
Corresponds to old	60 W	Dimensions (height)	120 mm
Kelvin	2,700 - 6,500 K	Dimensions (depth)	60 mm
Reflected beam angle	240 °	Packaging	carton

## REMOTE CONTROL

- operation of LED lamps (ZigBee 3.0 generation) of the HOME4YOU series
- light bulbs can be switched on or off
- adjustable light intensity (brightness)
- adjustable colour temperature
- adjustable RGBW light colour
- light bulbs can be operated in groups
- reset button on the back
- battery-operated
- content: remote control, 2x battery (LR03/AAA), user manual

## TECHNICAL DATA

Integrated protocols	ZigBee	Dimensions (width)	46 mm
Range	30 m	Dimensions (height)	114.5 mm
Battery type	LR03 (AAA)	Dimensions (depth)	22 mm
Power supply	via battery: 2 pieces	Packaging	carton
Weight (set)	45 g
