

High Speed HDMI[®] Cable with Ethernet

HDMI[®] Connector > HDMI[®] Connector

This SCHWAIGER[®] High Speed HDMI[®] Cable with Ethernet is made for best-possible, high-resolution transmission in Ultra HD quality. The cable is used to connect a TV to audio/video devices, a DVB receiver or a games console or to connect a computer to a

projector. Due to the additional data channel (ethernet channel), internet-enabled audio/video components can be connected to each other without having to use another network cable.

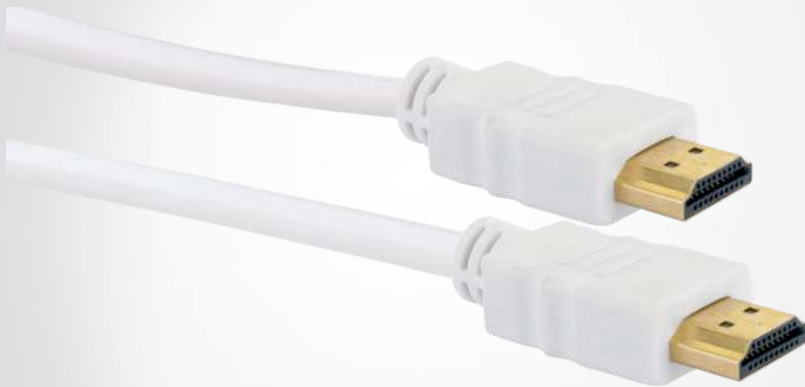

ARTICLE INFORMATION

Article Nr HDM30 532
EAN 4004005204520

Last updated: 08.05.2019
