High-Speed HDMI™ Cable With Ethernet

180° HDMI™ plug > 180° HDMI™ plug

This SCHWAIGER® HDMI™ connection cable is designed for high resolution transmission in Ultra HD quality for 3D and HDTV. It is equipped with two gold-plated plugs which are rotatable by 180°. These plugs make the cable the ideal choice for connections in

narrow spaces. The cable can be used with all devices equipped with an HDMI™ connection. The ethernet channel allows for connecting internet-enabled AV components, e.g. a Blu-Ray player. There is no need for an additional network cable.
