High Speed HDMI® Cable with Ethernet

HDMI® angled plug > HDMI® plug

This SCHWAIGER® High Speed HDMI® Cable with Ethernet offers best-possible high-resolution transmission of digital audio and video data in HD quality. It is used to connect a TV to an AV receiver or a computer to a projector. Thanks to a 90° angled plug, the

cable can easily be connected to devices standing close to a wall. Gold-plated pins allow for best-possible transmission quality.
