## F connector 3-Piece Set (∅ 6.5 mm)

1 F connecting piece + 2 F connectors

This SCHWAIGER® set consists of two F connectors, which are suitable for installation on coaxial cables, and an F connecting piece, which is used to extend SAT connection cables equipped with F connectors. After the cable has been thoroughly stripped, the F

connectors are simply screwed onto the sheath. A suitable stripping tool and aids for screwing on the connectors are available from SCHWAIGER®.
