## SAT/Antenna Connection Cable (75 dB)

F connector > IEC jack

This SCHWAIGER® SAT connection cable can be used for connecting the satellite receiver to the SAT socket or to the antenna socket. This cable is shielded twice and, thus, has low

susceptibility for electromagnetic interference. The cable has a shielding value of 75 dB.

## FEATURES (KVCK171 032)

- shielded twice for low susceptibility to electromagnetic interference
- solid nickel-plated internal PIN
- solid connector, moulded on both sides

## TECHNICAL DATA

|                 |  |
