Apple® Lightning Sync & Charging Cable, Glowing

USB 2.0 A plug > Apple® Lightning plug

This SCHWAIGER® Sync & Charging Cable is designed for use with an iPhone, iPad or iPod. It can be used to sync or charge the Apple® device. Either the original Apple® USB power adapter or a universal charging adapter can be used. The special feature of

this cable is the light function, which indicates the charging process by a running light (impulse).
