## Type C Sync & Charging Cable "Extreme"

USB 2.0 A plug > USB 3.1 (Type C) plug

This SCHWAIGER® Sync & Charging Cable is designed for use with a smartphone, tablet, laptop or hard drive. It can be used to sync or charge the device. Either the original USB power supply or a universal charging adapter can be used. The highlight of this product is

the cable construction with a special inner sheath in combination with a nylon outer sheath, which makes this cable extremely tear-resistant and almost indestructible.
