

## TV Wall Mounts

for Flat & Curved TVs 23 – 55"

The Full Motion TV wall mount from SCHWAIGER® is designed for mounting flat & curved TVs with a screen size between 58 and 139 cm and a maximum weight of 30 kg. Thanks to many different possible VESA sizes, the wall mount is suitable for many TV models. The wall mount with one joint is extremely mobile and can be tilted at the front as well as

swivelled to the left and right in order to always obtain the optimum viewing angle from anywhere in the room. Thanks to the FISCHER® brand dowels and other high-quality mounting materials supplied, installation on suitable walls is always simple, secure and stable.
