## TV Wall Mount (fixed)

for flat screens (81 - 140 cm)

The GS certified SCHWAIGER® TV wall mount has a high mechanical resilience and is suitable for mounting a flat screen. It is equipped with a bubble level for accurate alignment of the mounting rail. The hinged wall distancing bracket provides for easier

access to the connections of the TV. The screen can be removed from the mount at any time. For installation on sturdy and suitable walls only!
