TV Wall Mount (3 Hinges)

for Flat Screens (58 - 107 cm)

The SCHWAIGER® TV wall mount with three hinges and a 360° rotating mounting plate is suitable for mounting a flat screen. Special features are the easy CLICK & SAVE installation and the integrated cable gland. The mount is tiltable and can be swivelled either to

the right or to the left side, as the hinges can be tightened or loosened as desired. For installation on sturdy and suitable walls only!
