TV Wall Mount "MOTION 8"

for 75 kg weight, tiltable, swiveling, rotatable

The SCHWAIGER® TV wall mount with two swivel arms is suitable for mounting very large flat screens. The wall mount can be tilted forward, rotated axially and swiveled to the right or left. An integrated spirit level helps with the exact alignment of the mounting rail.

The joints can be easily adjusted in strength. In addition, this wall mount is characterized by an extremely high load capacity.
