TV wall mount "TILT 5"

for 75 kg weight, tiltable

The SCHWAIGER® TV wall mount is suitable for mounting very large flat screen TVs. The wall mount can be tilted forward, has two support arms and an integrated spirit level for exact alignment of the mounting rail. The open design allows easy access to the cables and

connections at the back of the mounted TV. In addition, this wall mount is characterized by an extremely high mechanical load capacity.
