

YZSY Bluetooth® loudspeaker

in bamboo casing

The YZSY Bluetooth® loudspeaker not only impresses with its unique bamboo design, but also with its perfect sound quality. With its lightweight construction and 12 hour battery life, the Bluetooth® loudspeaker is ideal for travel. It connects via Bluetooth® 4.1 or audio

cable to smartphone, tablet or computer. Each YZSY loudspeaker is unique and handcrafted. The used bamboo wood is FSC certified and guarantees the purchase of an economically, socially and ecologically sustainable product from the forest.
