 iPhone | iPad | iPod

## Apple® Lightning Sync & Charging cable with tape measure

USB 2.0 A plug > Apple® Lightning plug

This SCHWAIGER® Sync & Charging Cable is designed for using with an iPhone, iPad or iPod. It can be used to sync or charge the Apple® device. Either the original Apple® USB power adapter or a universal charging adapter can be used. This cable's highlight,

however, is the meter scale printed on the cable sheath, which gives you always a useful tape measure at hand.
