## Apple® Lightning Sync & Charging Cable "Extreme"

USB 2.0 A plug > Apple® Lightning plug

This SCHWAIGER® Sync & Charging cable is designed for using with an iPhone, iPad or iPod. It can be used to sync or charge the Apple® device. Either the original Apple® USB power adapter or a universal charging adapter can be used. This product's highlight

is its cable construction with a special inner sheath in combination with a nylon outer sheath, which makes this cable extremely tear-resistant and almost indestructible.
