

LED Work Lamp

extendible

This SCHWAIGER® work lamp has a powerful COB (Chip-on-Board) LED as well as a second classic LED and thus always provides the right illumination and bright light, completely independent of the power supply. The light can be pulled out in no time at all

and is used as a work spotlight or, thanks to the convenient head light, can be used as a handy flashlight. The lamp is also splash-proof, sturdily built and can be easily and safely attached with its fold-out hook or strong magnet.
