

## Window Blind Module

for intelligent home automation

This wireless SCHWAIGER® window blind module operates with most of the motors or drives of window blinds, shutters, sun blinds or garage doors available on the market. It is installed directly into the electrical socket of switches or push buttons. The module is

equipped with an automatic load sensor and calibrates itself.

- D** Nur in Verbindung mit SCHWAIGER® Gateway verwendbar
- GB** Can only be used in combination with SCHWAIGER® Gateway

### ARTICLE INFORMATION

Article Nr ZHR01  
 EAN 4004005307870

Last updated: 23.03.2016
